Section 1: Introduction

- 1.1** **These Financial Regulations (the Regulations) govern the conduct of the financial management of the Council.**

Structure and interpretation of Financial Regulations

- 1.2 The fundamental principles within the regulations are in **bold**. Other paragraphs outline the processes involved in putting these principles into practice.

Amendment and waiver of Financial Regulations

- 1.3 These Financial Regulations may only be amended by resolution of the Council.
- 1.4 The Council may set aside specific Regulations from time to time, provided the Regulation is not a legal requirement. A resolution passed by Council is required to set aside a regulation. The resolution must state:
- the Regulation or Regulations to be set aside;
 - the reason for setting it/them aside; and
 - how long the Regulation(s) will be set aside.
- 1.5 The decision of council to waive a financial regulation shall be separately recorded in the minutes and in any index of decisions.

Non-compliance with Financial Regulations

- 1.6 The Council's Responsible Financial Officer shall be alert for any breaches of Financial Regulations which have not been waived in the specific case.
- 1.7 The Council's Responsible Financial Officer shall report any such breaches to the Council, specifying:
- the specific Financial Regulation breached;
 - the circumstances of the breach;
 - the implications of the breach; and

Financial Regulations

Berwick-upon-Tweed Town Council

- any action proposed to prevent a recurrence of the breach.

1.8 The decision of council with regard to any breach of regulations shall be separately minuted and indexed, recording for each breach the matters detailed above and the decision of council.

Section 2: General

- 2.1 The Council's Responsible Financial Officer, consistent with and in support of these Financial Regulations, shall:**
- **determine the form of accounting and supporting records (including entries of income, expenditure, assets and liabilities of the Council) and ensure that they are kept up to date; and**
 - **determine the Council's financial control systems (including to ensure prompt recording of transactions, prevention and detection of fraud, reconstruction of lost records, management of risk, allocation of responsibilities and division of responsibilities) and ensure that they are observed.**

Procedure Notes

- 2.2 The Council's Responsible Financial Officer shall prepare and keep up to date Procedure Notes detailing the arrangements for:
- maintenance of accounting and supporting records; and
 - financial control, including allocation of and division of responsibilities.

Legislation and proper practices

- 2.3 The Council's Responsible Financial Officer shall remain alert to the requirements of and changes in the requirements of applicable legislation and proper practices.
- 2.4 The Council's Responsible Financial Officer shall report any change in legislation or proper practices that may have an impact on these Financial Regulations to the Council and, as appropriate, make recommendations changes in these Financial Regulations.

Financial Regulations

Berwick-upon-Tweed Town Council

- 2.5 The Council's Responsible Financial Officer shall consider any change in legislation or proper practices that may have an impact on the Procedure Notes prepared under these Financial Regulations and make such changes to those Procedure Notes as are necessary to secure compliance with legislation or proper practices as the case may be.

Section 3: Financial planning

- 3.1 The Council shall prepare a Medium-Term Financial Plan for a period of three years beyond the current financial year.**
- 3.2 The Council shall set its annual budget in the context of its Medium-Term Financial Plan, taking into account all anticipated income and all expected expenditure, alongside the need for contingencies and reserves.**

Medium-Term Financial Plan

- 3.3 The Council shall prepare and maintain a Medium-Term Financial Plan alongside preparation of its annual Budget covering the year of the budget and the subsequent two years.
- 3.4 The Medium-Term Financial Plan shall detail for each financial year it covers:
- the estimated opening reserves;
 - all estimated income in the context of the Council's current policies;
 - all estimated expenditure in the context of the Council's current policies;
 - the Council's estimate of the sum required for contingencies;
 - the estimated closing reserves; and
 - the estimated closing unallocated balance.

Budget

- 3.5 Budget setting is a multi-stage process requiring decisions to be made about future plans over a period of several months
- 3.6 Stage 1: in month 7 of the current financial year (October), the Council shall consider all cost codes in the current budget and indicate where expenditure is to be continued or stopped. For codes where expenditure is continuing, Council will indicate if expenditure is to be increased, stand still (after inflation), or be reduced.

Financial Regulations

Berwick-upon-Tweed Town Council

- 3.7 Stage 2: in month 8 (November), the RFO shall prepare a report on a draft budget based on the decisions made in stage 1. The report shall also reference the impact of the budget on MTFP, potential income levels and new areas of activity not previously considered.
- 3.8 Stage 3: in Month 9 (December), Council shall consider the draft budget report and associated draft budget and make any changes it might require.
- 3.9 Stage 4: in month 10 (January), the RFO shall produce a final draft budget for Council to adopt
- 3.10 Stage 5: following the adoption of a budget, the Council shall set a precept for the forthcoming financial year and authorise the RFO to notify the billing authority of this decision.

Section 4: Income

- 4.1 The Council shall operate effective systems for ensuring that income due to it is collected and accounted for.**

Determining fees and charges

- 4.2 As part of the budget setting process, each year the Council shall review the level of all fees and charges and decide on any changes for the coming financial year.

Periodic income (including allotment rents)

- 4.3 The Responsible Financial Officer shall maintain a record of all periodic income collected by the Council.
- 4.4 The Responsible Financial Officer shall ensure that invoices or equivalent demands for payment are sent out in good time before payment is due.
- 4.5 The Responsible Financial Officer shall take reasonable steps to recover payments not received.

Sundry income (including Freeman admission payments)

- 4.6 The Responsible Financial Officer shall maintain adequate records to identify sums receivable and from whom.
- 4.7 The Responsible Financial Officer shall ensure that invoices or equivalent demands for payment are sent out before the goods or services in question are delivered.

Financial Regulations

Berwick-upon-Tweed Town Council

- 4.8 The Responsible Financial Officer shall take reasonable steps to recover payments not received.

Residual income (including under Schedule 3 of the Berwick-upon-Tweed Corporation (Freemen) Act 1843)

- 4.9 Where the Council has a statutory or contractual right to a payment by a third party, the Responsible Financial Officer shall:
- identify the date on which such payment is due and take reasonable steps to ensure that the payment is received; and
 - make such enquiries as are reasonable, including receiving copies of accounts, to substantiate the amount payable and agree it to the amount received.

Non-recovery of income

- 4.10 Where in the RFO's opinion reasonable steps to secure the recovery payments owed have been taken and further recovery action would not be cost effective, the Responsible Financial Officer shall report the matter to the Council.
- 4.11 If the Council determines that no further action should be taken to secure recovery it shall authorise the write-off of the sum in question.
- 4.12 The Responsible Financial Officer shall, for each financial year, maintain a register of write-offs recording:
- who was to make the payment;
 - what it was for;
 - when it was due;
 - the steps taken to recover the amount due;
 - the reason for the proposed a write-off; and
 - the date the Council authorised the write-off.

Section 5: Expenditure

- 5.1 The Council shall ensure that commitments to incur expenditure are entered into only where the expenditure is for an appropriate purpose and is appropriately authorised.**

Ordering goods and services

- 5.2 The Responsible Financial Officer has authority to approve orders for goods and services with a value not exceeding £5,000 as long as:

- the order relates to goods or services which unambiguously fall within the scope of a cost code for the financial year in question;
- the placing of the order would not result in an actual or projected overspend against the cost code budget in question;
- the placing of the order would not give rise to a commitment to incur expenditure in a future financial year where the budget has not yet been set;
- the procurement requirements of Section 7 of these Regulations have been complied with;
- the expenditure in question is not otherwise in the opinion of the Responsible Financial Officer novel or contentious; or
- the Council has specifically reserved to itself authority to place an order for the goods or services in question.

- 5.3 In all other cases only the Council has authority to approve orders for goods and services.

Purchase Orders

- 5.4 Save where it would be inappropriate to issue a purchase order (for example in relation to provision of utilities or regular services), for each request for goods or services the officer

Financial Regulations

Berwick-upon-Tweed Town Council

placing the order shall prepare, issue and retain a copy of a sequentially numbered Purchase Order specifying:

- the date of the order;
- the name and address of the supplier;
- a description of the goods or services to be supplied;
- the quantity of the goods or services to be supplied;
- the price of the goods or services to be supplied (detailing VAT separately where appropriate);
- the address to which the goods or at which the services should be supplied;
- the address to which invoices should be sent; and
- the cost code to which the goods or services relate.

5.5

Requests for services from NCC Local Services team shall be made via the agreed NCC/BTC request for work form. The requesting officer shall request cost estimates for work and record these on a print out of the request, which should be filed in the appropriate place.

Section 6: Procurement

- 6.1 The Council shall demonstrate that it has taken reasonable steps to secure value for money and demonstrate propriety when committing itself to incur expenditure.**

Tendering

- 6.2 Where the estimated value of goods or services exceeds £10,000 the Council shall undertake a tender exercise.
- 6.3 A tender exercise shall involve:
- identifying at least four suitably skilled and experienced contractors to invite to tender;
 - issuing an invitation to tender specifying the Council's requirements, the basis on which tenders are to be submitted, the evaluation criteria to be adopted, the submission requirements;
 - requiring tenderers to submit tenders in sealed envelopes with no external identification of the identity of the contractor;
 - reminding tenderers and all involved in the tender process of the need to maintain the integrity of the tendering process, drawing attention to relevant legislation;
 - specifying a time and date by which tenders shall be received;
 - opening tenders in the presence of at least one member who has had no previous involvement in the tender process, will not be involved in the tender evaluation process and has no interest in any of the contractors invited to tender;
 - recording at the tender opening the tenders returned and the prices quoted;
 - securing and safely keeping the tenders returned; and
 - establishing a tender evaluation panel to evaluate the tenders against the criteria included in the invitation to tender and make a recommendation to the Council.

Financial Regulations

Berwick-upon-Tweed Town Council

- 6.4 For any tender, the Council shall consider a report from the tender evaluation panel and determine the tenderer, if any, to whom the tender shall be awarded.
- 6.5 For any contract with an estimated value in excess of the thresholds specified in the Public Contracts Regulations 2015, the Council shall adopt a tender process that is consistent with the requirements of those Regulations.

Quotations

- 6.6 Where the estimated value of goods or services exceeds £5,000 but is under £10,000, the Responsible Financial Officer shall seek quotations from at least three suitably skilled and experienced contractors.
- 6.7 Where the Council determines not to accept the lowest quotation it shall minute the reasons for its decision.

Estimates

- 6.8 Where the estimated value of goods or services exceeds £1,000 but is under £5,000, the Responsible Financial Officer shall seek estimates from at least three suitably skilled and experienced contractors.
- 6.9 Where the Responsible Financial Officer determines not to accept the lowest estimate they shall report the reasons for their decision to the Council.
