Dear Wendy Pattison,

Coastal Revival Fund Application: £48,000 for Berwick Barracks Reawakening Project, Northumberland

Thank you for your application to Coastal Revival Fund. I am delighted to inform you that your application has been successful and this will be publicly announced on Friday 11 December.

There was a very high interest in the £3million Revival Fund, which received 222 bids, totalling £9million. With the funding three times oversubscribed, your project demonstrated it was one of the very best.

We will arrange for the amount indicated above to be paid to **Northumberland County Council** as the accountable body for this funding. We hope to issue the grant determinations to the local authority and make the payment on or around the 18 December. Please liaise directly with your accountable body regarding their processes for passing on the funding to you.

In line with your confirmation in your application and in response to my email of the 2 December, this money is to be spent by 31 March 2016.

We ask that you please keep us informed ahead of any key milestones or planned media, by emailing coastalcommunities@communities.gsi.gov.uk. You can also follow us on twitter @CommunitiesUK and share your own news and photos using #CoastalRevivalFund.

If your application was supported by a local Coastal Community Team, then please do let the Team know the successful outcome.

Once again, our congratulations on your successful application and our best wishes for the smooth delivery of your project.

Yours sincerely,

Beth Sedgwick
