

# A NEW HOSPITAL FOR BERWICK

We remain fully committed to delivering a new multi-million pound hospital in Berwick. Rebuilding Berwick Infirmary is part of the Trust's £200million investment to significantly improve healthcare in Northumberland and North Tyneside over the next ten years.

Your new hospital will have:

Radiography  
(including  
x rays and  
scans)

Inpatient ward  
and a minor  
injuries unit

Ambulatory  
care

Physiotherapy  
services

Maternity

Day  
surgery

Outpatient  
services and  
nurse-led clinics

For more information on the services provided by Northumbria Healthcare please visit [www.northumbria.nhs.uk](http://www.northumbria.nhs.uk)
