Background

1. Berwick upon Tweed Town Council recognises its responsibility to comply with General Data Protection Regulations (GDPR). It proposes to act upon those responsibilities by adopting a new Data Protection Policy, which will be both part of the Protocol Book of policies which inform the work of the Town Council and which will be part of the Office Procedures Manual.

2. The new policy updates the Town Council’s Data Protection Policy and procedures to include the additional requirements of GDPR which will apply in the UK from May 2018.

3. This policy explains the duties and responsibilities of the Council and identifies the means by which the Town Council will meet its obligations.

4. The key principles of GDPR are:
   - Personal data must be processed lawfully, fairly and transparently;
   - collected for specified, explicit and legitimate purposes;
   - be adequate, relevant and limited to what is necessary for processing;
   - be accurate and kept up to date;
   - be kept only for as long as is necessary for processing; and
   - be processed in a manner that ensures its security.

5. Both the Town Clerk and the Finance Officer have attended training events in connection with GDPR.

6. GDPR requires continued care by the Clerk and councillors in the sharing of information about individuals, whether as a hard copy or electronically. A breach of the regulations could result in the Town Council facing a fine from the Information Commissioner’s Office (ICO) for the breach itself and also having to compensate the individual(s) who could be adversely affected.

7. The handling of information is clearly a high/medium risk to the Council (both financially and in terms of its reputation) and one which must be included in the Council’s Risk Management practice. Such risk can be minimised by:
   - Regularly undertaking an Information Audit;
   - issuing privacy statements;
   - maintaining privacy impact assessments (an audit of potential data protection risks with new projects);
   - minimising who holds data protected information;
   - ensuring the safe disposal of information; and
   - the Town Council undertaking training in data protection awareness.

The Data Protection Policy

8. IDENTIFYING THE ROLES AND MINIMISING RISK
GDPR requires that everyone within the Town Council must understand the implications of GDPR and that roles and duties must be assigned. The Town Council is the Data Controller, and delegates the day to day management of its data to the Town Clerk. The DPO responsibility is most closely aligned to the management of risk and internal audit, and is therefore assigned to the Finance Officer, who shall be responsible for referring any breaches of information security or loss of data, at first instance, to the Town Clerk’s Line Management Committee.

5. INFORMATION AUDIT The Data Protection Officer must undertake an Information Audit which details the personal data held, where it came from, the purpose for holding that information and with whom the Town Council will share that information. This will include information held electronically or as a hard copy. Information held could change from year to year with different activities, and so the Information Audit will be reviewed annually in March, prior to the preparation of the Annual Governance Review, and whenever the Town Council undertakes a relevant new activity.

6. PRIVACY NOTICES Being transparent and providing accessible information to individuals about how the Town Council uses personal data is a key element of the Data Protection Act 1998 and the General Data Protection Regulations (GDPR). The most common way to provide this information is in a privacy notice. This is a notice to inform individuals about what the Council does with their personal information. A privacy notice will contain the name and contact details of the Data Controller and Data Protection Officer; the purpose for which the information is to be used; and the length of time for its use. It should be written clearly and should advise the individual that they can, at any time, withdraw their agreement for the use of this information. Issuing of a privacy notice must be detailed on the Information Audit kept by the Town Council. The Town Council will adopt a privacy notice to use in May 2018.

7. CHILDREN There is special protection for the personal data of a child. The age when a child can give their own consent is 13. If the Town Council requires consent from young people under 13, the Council must obtain a parent or guardian’s consent in order to process the personal data lawfully. Consent forms for children age 13 plus, must be written in language that they will understand. For these reasons it is strongly recommended that the Town Council, as a matter of principle, does not hold data relating to identifiable children, and seeks the specific consent of council for any activities that might require the holding of data on children.

8. INDIVIDUALS’ RIGHTS - GDPR gives individuals rights with some enhancements to those rights already in place:
   a. the right to be informed
   b. the right of access
   c. the right of rectification
   d. the right to erasure
   e. the right to restrict processing
   f. the right to data portability
   g. the right to object
   h. the right not to be subject to automated decision-making, including profiling.
9. The two specific enhancements of GDPR are that individuals now have a right to have their personal data erased (sometimes known as the ‘right to be forgotten’) where their personal data is no longer necessary in relation to the purpose for which it was originally collected and data portability must be done free of charge. Data portability refers to the ability to move, copy or transfer data easily between different computers. If a request is received to delete information, then the DPO must respond to this request within a month. The DPO requires delegated authority from the Town Council to delete information, after consultation with the Town Clerk to ensure the protection of exempt and statutory records. If a request is considered to be manifestly unfounded then the request can be refused. Any charges applicable will be detailed in the Council’s Freedom of Information Publication Scheme, which shall be updated and reviewed annually.

10. DATA BREACHES One of the duties assigned to the DPO is the investigation of any breaches. Personal data breaches should be reported to the DPO for investigation. Investigations must be undertaken within one month of the report of a breach, and, in the event of the absence of the DPO, council should consider delegating to the Town Clerk authority to engage a suitably qualified individual from another council or association of councils, after consultation with the Mayor. The ICO will be advised of a breach (within 3 days) where it is likely to result in a risk to the rights and freedoms of individuals – if, for example, it could result in discrimination, damage to reputation, financial loss, loss of confidentiality, or any other significant economic or social disadvantage. Where a breach is likely to result in a high risk to the rights and freedoms of individuals, the DPO will also have to notify those concerned directly.

11. IT SECURITY - It is unacceptable for unauthorised users to access IT using employees’ log-in passwords or to use equipment in the absence of the user, and this should be treated as a breach of IT security. The Town Clerk shall be required annually to review IT security and to make recommendations to council as to any steps that need to be taken, such as two-step verification. In addition, any personal data that is held should be securely held (with access to a limited group of users) and encrypted when held on any portable device.

Recommendations
1. That council adopt the Data Protection Policy outlined above, make the delegations referred to within the policy.
2. That Council delegate to the Town Clerk authority to purchase and issue to staff encrypted memory sticks, and to ban the use of unencrypted portable devices and memory sticks on the council computer network.
Report of the Town Clerk

Support for a Social Enterprise

Background
1. The Town Council’s Investors Conference featured a discussion involving Mark Dodds, convenor of the Brown Bear, a social enterprise that runs a pub based in Berwick.
2. Support for pubs that are run as social enterprises is a matter of government policy; the Community Pub Business Support Programme was a £3.62 million, 2-year programme that will see a comprehensive package of business development support, advice, and loan and grant funding delivered to community groups in England to help them establish community-owned pubs that can clearly demonstrate how they will bring significant social, economic and environmental benefits to their communities.
3. The Brown Bear currently employs seven people, while being run by an emerging and evolving stakeholder group. It clearly fits the government model of a social enterprise that also delivers community benefits.
4. Having met with Mark Dodds, it is the opinion of your officers that whilst we cannot provide, at this point or any foreseeable point in the future, financial support, we may be able to provide support in other ways. One practical example would be by supporting grant applications made by the enterprise to grant funders, or by seeking to enable the enterprise to engage more effectively with the community in order to demonstrate community benefit.

Recommendations
1. That council express support for a social enterprise that delivers community benefits, and
2. That council delegate authority to the Town Clerk to provide letters of support in connection with grant funding applications for this enterprise.

Civic Calendar

Background
1. A report on this topic was discussed at council in March 2018.
2. Member feedback on this topic was sought.
3. No objections to the proposals were received, although some members expressed a preference as to which meeting should be on which nights.

Recommendations
1. That for 2018-19, and thereafter, council adopt a civic calendar that provides, in 9 of 12 calendar months, for two weeks with committee meetings on Monday and Tuesday, one week with full council on Monday evening, and a fallow week with no committee or council meetings scheduled,
2. That a formal discussion take place between individual committee chairs and the clerk two weeks in advance of a scheduled meeting to check there is sufficient business to justify a meeting of that committee,
3. That the month of May be free of meetings, except for the Annual General Meeting, Town Meeting and a Planning Committee meeting if necessary, and
4. That the order of meetings be varied in December and January to reflect the effects of Christmas and the needs of the budget schedule.
Report of the Town Clerk

Proceedings at the Annual Meeting of Council

Background

1. The process of proceedings for the annual meeting of council are laid out in Standing Order 5.

2. The proposed dates for Annual Town Meeting, Annual Council and the Mayor Making are as follows:
   a. Town Meeting on Monday 14th May,
   b. Annual General Meeting on Wednesday 16th May,
   c. Mayor Making on Wednesday 23rd May.

3. There is no statutory basis for the Mayor Making ceremony, and much of what goes on at Annual Council is inherited practice and unsupported either by Standing Orders or legislation.

4. It is therefore appropriate to review existing practices and to adopt standing orders which enable the best of traditional practice to be retained, whilst enabling council to remain within the law.

5. In order to put the Mayor Making on a proper legal footing, it is proposed that the Mayor Making be regarded as a continuation of an adjourned AGM, whose business is to receive the declaration of acceptance of office of the incoming mayor and deputy mayor. This means that the AGM will continue to be chaired by the outgoing Mayor until its adjournment, and will be chaired by the outgoing mayor upon its resumption (as the Mayor Making) until the point when the declaration of acceptance of office is signed and returned. These proposals are congruent with the wording of existing Standing Order 5 but it is proposed to add wording to some clauses to make the process clearer to understand in future years.

The election of the Mayor and Deputy Mayor

1. There are many different systems by which mayors or deputy mayors have been elected in the past, and all have some degree of value and some degree of weakness.

2. The election of a chairman of council is a significant moment in the life of a council, and it is axiomatic that the incoming mayor and deputy mayor must be able to command the support of council. It is therefore strongly arguable that the process of election must demonstrate that this is the case.
3. There are many examples of traditions where the succession of the Deputy Mayor to the
   Mayoralty has been deemed to be automatic; this may be desirable but the election of
   the Mayor must demonstrably be lawful, and that means allowing for the option of other
   candidates being proposed and seconded on the night. Logically it follows that if the
   possibility of an election must be allowed for, a process of election must be provided for.
   The only analogous election process in your standing orders is the process for choosing
   candidates for co-option.

4. For the sake of clarity in future years, it is proposed that new standing orders are
   inserted setting out the process by which the Mayor and Deputy Mayor shall be elected,
   replicating the process by which vacancies are filled by co-option. That is to say, each
   candidate for Mayor or Deputy Mayor shall be required to have a proposer and
   seconder, who shall nominate them at the meeting, and the election shall take place by
   eliminating secret ballot with a candidate requiring the support of the majority of those
   voting to succeed. For these purposes, a blank voting paper returned is counted as a
   vote for any candidate other than the candidates who have been proposed and
   seconded; in this it differs from an abstention, which is indicated by a member failing to
   return their ballot paper. In the event of any candidate failing to achieve a majority of
   those voting in a round of voting where they are the only candidate it is the case that
   nominations must be re-opened and all members are once again eligible to be proposed
   and seconded.

5. It is further proposed that this procedure, which was the one envisaged last year in the
   event of a contested ballot, is also used in May 2018.

Recommendations

1. That council adopt the proposed procedures for both the conduct of the Annual Meeting
   and Mayor Making, and for the election of Mayor and Deputy Mayor laid out in this
   report, and

2. That council instructs the Town Clerk to bring Standing Order revisions sufficient to write
   these changes into the council constitution to the Annual General Meeting of council.
Appendix A

Existing Standing Order 5 with proposed amendments in italics.

5. Ordinary council meetings

   a. In an election year, the annual meeting of the council shall be held on or within 14 days following the day on which the new councillors elected take office.

   b. In a year which is not an election year, the annual meeting of a council shall be held on such day in May as the council may direct.

   c. If no other time is fixed, the annual meeting of the council shall take place at 6pm.

   d. In addition to the annual meeting of the council, at least three other ordinary meetings shall be held in each year on such dates and times as the council directs.

   e. The first business conducted at the annual meeting of the council shall be the election of the Chairman [delete Chair and insert Mayor for consistency] and Vice-Chairman (if any) [delete Vice Chairman and succeeding words in parentheses, and insert Deputy Mayor for consistency] of the Council. [The election of the Mayor and Deputy Mayor shall not be deemed to be complete until their declaration of acceptance of the office of Mayor or Deputy Mayor has been received.]

   f. The Chairman of the Council, unless he has resigned or becomes disqualified, shall continue in office and preside at the annual meeting until his successor is elected [delete ‘at’ and insert by and has signed his declaration of acceptance of office at] the next annual meeting of the council.

   g. The Deputy Mayor of the Council, if any, unless he resigns or becomes disqualified, shall hold office until immediately after the election of the Chairman of the Council at the next annual meeting of the council.

   h. In an election year, if the current Mayor of the Council has not been re-elected as a member of the council, he shall preside at the meeting until a successor Mayor of the Council has been elected. The current Mayor of the Council shall not have an original vote in respect of the election of the new Mayor of the Council but must give a casting vote in the case of an equality of votes.

   i. In an election year, if the current Mayor of the Council has been re-elected as a member of the council, he shall preside at the meeting until a new Mayor of the Council has been elected. He may exercise an original vote in respect of the election of the new Mayor of the Council and must give a casting vote in the case of an equality of votes.
j. Following the election of the Mayor of the Council and Deputy Mayor (if any) of the Council at the annual meeting of the council, the business of the annual meeting shall include:

i. In an election year, delivery by the Mayor of the Council and councillors of their acceptance of office forms unless the council resolves for this to be done at a later date. In a year which is not an election year, delivery by the Mayor of the Council of his acceptance of office form unless the council resolves for this to be done at a later date;

ii. Confirmation of the accuracy of the minutes of the last meeting of the council;

iii. Receipt of the minutes of the last meeting of a committee;

iv. Consideration of the recommendations made by a committee;

v. Review of delegation arrangements to committees, sub-committees, staff and other local authorities;

vi. Review of the terms of reference for committees;

vii. Appointment of members to existing committees;

viii. Appointment of any new committees in accordance with standing order 4 above;

ix. Review and adoption of appropriate standing orders and financial regulations;

x. Review of arrangements, including any charters and agency agreements, with other local authorities and review of contributions made to expenditure incurred by other local authorities;

xi. Review of representation on or work with external bodies and arrangements for reporting back;

xii. In an election year, to make arrangements with a view to the council becoming eligible to exercise the general power of competence in the future;

xiii. Review of inventory of land and assets including buildings and office equipment;

xiv. Confirmation of arrangements for insurance cover in respect of all insured risks;

xv. Review of the council’s and/or staff subscriptions to other bodies;

xvi. Review of the council’s complaints procedure;

xviii. Review of the council’s policy for dealing with the press/media; and

xix. Determining the time and place of ordinary meetings of the full Council up to and including the next annual meeting of full council.

6. PLANNING APPLICATION 18/00415/VARYCO

7. APPLICATIONS FOR PLANNING PERMISSION
18/00473/LBC
Listed building consent for proposed provision of a Costa & Travelines coffee shop within the existing Travel Centre, including the formation of a new external entrance door/screen as a direct replacement of an existing window, and including locating a container unit, as an external dry goods store, within the existing service yard.
Berwick Railway Station, Railway Street, Berwick-upon-Tweed. TD15 1NF
Members would object due to the impact of the visual amenity to a listed building as the colour was not in keeping with the area. It was suggested a more neutral colour may be more appropriate.

18/00531/FUL
Replacement of windows and external doors.
16 Parade, Berwick-upon-Tweed, Northumberland. TD15 1DF
No objections.

18/00532/LBC
Listed Building Consent for the replacement of windows and external doors.
16 Parade, Berwick-upon-Tweed, Northumberland. TD15 1DF
No objections.
18/00554/COU

No objections.

18/00674/ADE
Advertisement Consent: Two illuminated totem signs.
Morrisons, Loaning Meadows, Berwick-upon-Tweed.  TD15 1UQ
There was a feeling amongst Members that there was too much information on
the second sign and therefore would object as this could be a distraction to
road users. Also, there should be a condition that the signs are only illuminated
during hours of business, so therefore would be turned off overnight. This is to
prevent light pollution.

18/00676/FUL
Proposed single storey rear extension and alterations to existing dwelling
plus the creation of 2no off-street car parking bays.
25 Ravensdowne, Berwick-upon-Tweed, Northumberland.  TD15 1HX
